## SOFT RISE SPRING RETURN

Stay safe with Louvolite's new super smooth, child safe, soft rise spring return roller blind system.

The new spring return offers an easy to operate, safe by design roller blind that looks stunning in Louvolite's open cassettes.

Offering extremely quiet operation and available for both System 32® and System 40®, this high performance product is sure to satisfy the demand of both commercial and domestic installations.

On release the blind raises smoothly up to the pre-set upper stop.

The system can be used with either a back bar or Louvolite 40mm fascia, you won't find that anywhere else, and 70mm open cassette.

For that extra finishing touch you can add a co-ordinating or contrasting cassette available in a range of colours and finishes including white, beige, black, anthracite, bronze, chrome and satin with the option to insert a matching fabric profile too.

The option of a short and long spring for each system ensures optimum performance for both smaller and larger blinds.

System 32® Light Spring holding max 900g

System 32® Heavy Spring holding max 1470g

System 40® Medium Spring holding max 1400g

System 40® Heavy Spring holding max 2955g
